

Restaurant Associates' Bravo Restaurant Wins 2014 OpenTable Diners' Choice

Bravo, located at the Museum of Fine Arts, Boston, was one of the recipients of the OpenTable Diners' Choice awards in January. This means that after dining, OpenTable diners rated the restaurant as one of the best.

Diners' Choice lists are designed to give top-voted restaurants additional visibility on OpenTable, inspiring new diners to visit. Each month, lists are featured on the website and regularly profiled in Insider emails to diners near the restaurant's location.
